Stay powered up wherever you go

Easy to attach and carry charging solution with anti-theft protection

Stay powered up wherever you go with ease using CTA Digital's Anti-Theft Light-Up 4000mAh External Battery Pack Charger. Securely attach this slim charger to a backpack or luggage using the included anti-theft combination lock hook. This high capacity power bank can provide two charges for an iPhone 6 and fully recharge a Galaxy S5, Note 4, Nexus 6 and most other smartphones. It will even extend the battery life on an iPad Air or other tablet so you can stay connected and equipped on any journey. The built-in flashlight and bright crystal LED indicator are helpful when traveling in the dark or during power outages. Confidently go farther and longer with CTA's Anti-Theft Light-Up External Battery Pack Charger.
